### ISTEP+ ROUND 2

Students will begin the second round of ISTEP+ assessments on **Monday, April 17th and end on May 5th**. This round of assessments will be taken on computers with technology enhanced features. The students and staff have been working hard to meet the expectations of this new state assessment which has proven to be more rigorous for students across the state. All testing will be completed by 2 PM depending on the testing group for each team. 7th and 8th grade will alternate days for testing which will require all but 2 days of the testing window. **7th grade dates include 4/17, 4/19, 4/21, 4/25, 4/27, 5/1, 5/3 and 5/4. 8th grade dates include: 4/18, 4/20, 4/24, 4/26, 4/28, and 5/2.** It is for this reason that attendance at school during ISTEP assessments is critical. PLEASE schedule all appointments around the attached schedule to avoid students having to complete the assessment in a make-up session the following day. All students are required to complete the assessment within the

days allotted by the state or they will receive a Did Not Pass rating. Once a student begins the assessment, they must complete the session to avoid being penalized with a DNP. Access the ISTEP SCHEDULE on the CMS webpage at this link: <http://cms.fayettein.schooldesk.net/>

We want all students to be able to perform optimally on the assessment, so if a student is ill, we would not expect them to attend school just to take ISTEP+. However, keep in mind that make-up days will be very difficult to complete and students could have to take multiple assessments if they miss a scheduled session.

It is very important to communicate with the school if a student is experiencing an illness that could require extended days out of school.

### 8th Grade Promotion Ceremony
